Folks,

Thank you all for participating in the 2015 Hall of Fame Selection Committee meeting Saturday morning.

We are developing content for the new Hall of Champions, a wonderful 40,000 square foot interactive experience located in the west side of Kyle Field. One of the exhibits is the Lettermen's Legacy wall. This exhibit will be a large video screen that scrolls headshots of former student athletes. Visitors can select specific student athletes which will expand the screen to a full size video of said athlete. These athletes will speak briefly on their experiences at and love for Texas A&M. We would be honored if you would participate in this exhibit.

12th Man Productions will be on hand beginning 9am Saturday to video anyone from this group interested in being a part of this exhibit. If you would like to participate and can arrive a few minutes early to the meeting, we can video you at that time. The video crew will also be on hand after our meeting to grab anyone unable to arrive early.

We're excited to have such a significant display in the new Hall of Champions and hope you will consider being a part of this experience!

Thank you so much...just look for me tomorrow and I will get you to the correct location.

Gig 'em!
Cathy
