HISTORY

Dear Officials,

I want to take this opportunity to thank everyone for all their efforts throughout the cross country and indoor track season. The success of our meets is built on the efforts of our officials and we have enjoyed many successes throughout the two seasons. Thank you for the dedication, loyalty and commitment that each one of you has shown us. On behalf of the Texas A&M Track and Field staff, please allow me to extend my personal and genuine appreciation to each and every one of you for your valuable contributions to this school and team.

The two seasons went by extremely fast and it has been reassuring to know that we can count on all of you regardless of the challenges that may arise. On that note, we are looking forward to some very big and exciting meets in the next few years. We will be hosting the 2017 and 2018 Indoor NCAA Track and Field Championships and the 2018 Indoor SEC Track and Field Championships. We hope all of you will be able to join us in hosting some of the biggest collegiate track meets in the coming years.

Additionally, we will be putting on a one day certification clinic this spring. More information on this will be emailed at a later date.

Again, it was a pleasure working with all of you this season and we offer our best wishes and happiness to you and your families as we all look forward to a successful 2016 cross country and 2017 indoor season!
